

This activity can be teacher-led for younger students

Back to School Scavenger Hunt for A Lion's Mane

Here are the CLUES – look out for the lions!

1. Go explore the jungle but don't get led astray. There may be more to count than see but in the jungle I will surely be!
2. If you look close to where the teacher rests, a clue you will find that you will like BEST.
3. In baskets galore, you will find colours and writing tools to explore!
4. When everyone is in a seat, to this place I will retreat. Is attendance complete?
5. You will find me in a special place where adventures and mystical lands exist.
6. If you look on the wall, you will learn where to go if you fall.
7. Rain or shine, playing here is divine!
8. Look for a long rectangular rule. Without it, there could be no school!
9. Now that you have had time to measure, go back to your room to enjoy your first day treasure!
